

Our Risk-taking Mission & Service Team has opportunities for each of us to make a difference in this local community. Care Lodge and So. Harbor Shelter are looking forward to receiving health kits from us on a monthly basis.

Care Lodge will get 15 kits each month for the women who come through their doors with nothing but their children and the clothes they are wearing.

South Harbor Shelter will get 5 kits each month for those families who are able to transition to housing beyond the shelter.

We need everyone's help to sustain this ministry. If each family can do one kit (or \$8) a month our supply will be plentiful.

Presently we are using the UMCOR list of items, but because this is on a local and cooperative basis, we are looking at the possibility of adding a small devotion or scripture to the kits.
